Century Club Member Spotlight - Gerald & Kathy Muller

When Gerald was in the army we lived on the East Coast and in Germany. Exploring the areas around us helped us realize how much more we could learn through exposure to different people and places. Since joining the Century Club we have enjoyed short tours to places in Nebraska and to more distant trips like a tour to California. Our favorite trips have been on river cruises, one on the Seine River in France, which went from Paris to Normandy Beach and most recently a cruise on the Rhine River from Amsterdam to Lucerne Switzerland.

One of the things we regret is not joining Century Club sooner. The Century Club affords you the opportunity to pay the fees, show up on time and then enjoy the carefree opportunity to see new and interesting things. Trips we would like to take with the Century Club are to the Hawaiian Islands, to New York City, and on a Danube River cruise in Europe or a Mississippi River cruise in the USA. Traveling with a group is a wonderful way to get to know new friends in a very carefree environment. Kaki tends to the details of the trip so that the members can enjoy the adventure. It is a wonderful way to travel! Come join the fun!

**Hang up on spoofed SSA calls**

If you get a call that looks like it’s from the Social Security Administration (SSA), think twice. Scammers are spoofing SSA’s 1-800 customer service number to try to get your personal information. Spoofing means that scammers can call from anywhere, but they make your caller ID show a different number—often one that looks legit. Here are a few things you should know about these so-called SSA calls:

1. SSA will not threaten you; 2. If you have any doubt, hang up and call SSA directly; 3. If you get a spoofed call, report it.
